Electrified

- Attach site drawing showing location of proposed fence and its proximity to the house, garage and/or other existing fences. Provide dimensions of fence.
- Submit application and drawings to the Building Department. The applicant will be required to display an "Intent to Build" sign for 10 days. After 10 days a permit can be obtained.
- It is the responsibility of the property owner/contractor who is issued the permit to verify the location of the property line where the fence will be located.
